Configuration for two interpreters

All our cabins offer the best of Italian design

Entrance door

Hole for cables entry

Internal table

Modular soundproof booth conforms with ISO 4043 standards for 2-3 interpreters.
Designed for mobile stations, removable in

few minutes, ultralight and easy to transport, it can be used for daily events.
Its classic design and wood finishes allow a

placement in prestigious environments.
Panels are interchangeable and for this reason the door can be placed anywhere.

Noise reduction

Hertz	250	500	1000	2000	3150
dB	14.0	17.0	22.0	25.0	25.0
